

Bacon's Christmas Tree Farm

Annual Pre-Tagging and Decorating Contest

Visit the Farm and tag your tree early for the best selection. Decorate your tree and enter into our contest for a free tree for 2023!*

How it works: Obtain a tag from St. Nick's Workshop. Write your name on the tag and hang it in the tree you choose. Decorate and email photos to info@baconschristmastreefarm.com with your name and phone number and post on our Facebook page – @Bacons98312. The winner will be chosen and notified on Sunday, December 11, 2021 at 5:00 pm PDT.

Just want to Pre-Tag? That's okay too. Obtain a tag from St. Nick's Workshop and hang it in the tree you choose. (It's also helpful to hang some ribbon or other décor in your tree so you can find it later.) Come back any day before we close for the season and cut your tree. Pay when you cut your tree down.!
